Re: Centegra Hospital – Woodstock, Project #E-036-17
Notice of Project Conclusion

Dear Ms. Avery and Ms. Senger:

This letter serves as a notice that the discontinuation of the Medical/Surgical and Intensive Care Categories of Service at Centegra Hospital – Woodstock is complete and that the project has been concluded.

The project was completed on November 14, 2017, the date on which it was granted a Certificate of Exemption (E-036-17). The project was approved with no cost (\$0).

The last patient was discharged from the hospital's Medical/Surgical and Intensive Care Units on August 12, 2017, as noted in the initial Notice of Temporary Suspension that was received by the Illinois Health Facilities and Services Review Board on August 16, 2017.

This notification is in accordance with the requirements of 20 ILCS 3960/8.5(a-5) and 20 ILCS 3960/12.4 as well as 77 Ill. Adm. Code 1130.570(c)(1) and 1130.770(b).

Since there are no project costs, this letter meets the requirements for notice of project completion.

If you have any questions, please feel free to contact me at 815-788-5858.

Sincerely,

Hadley Streng
SVP, Strategy and Development
Centegra Health System
